PRESS RELEASE

The Union City Fire Department has taken delivery of a new Ladder Truck to replace old Ladder #2. The new Ladder #2 is a Pierce Velocity 100' Platform Ladder Truck, it also has a 1500 GPM pump and 300 Gal water tank.

New Ladder #2 also has many additional features that are an improvement over the old truck, that improve its performance, ability to serve the public and provide a safer working environment for Union City firefighters.

Ladder #2 is presently located at Station #1 on High Point Road, but responds throughout the City.

Union City Ladder #2 with Fire Apparatus Operator Wade Simmons and Firefighter Gene Harvey
