

Save on Prescription Drugs... With our new Prescription Discount Card!

The City of Union City has a new program to offer savings on prescription drugs to residents who are without health insurance, a traditional benefits plan, or have prescriptions that are not covered by insurance.

The **Prescription Discount Card** is made available to residents by the City of Union City in collaboration with the [National League of Cities](#) (NLC) and is made possible through the City of Union City membership in NLC.

The card is **FREE to all Union City residents**, regardless of age, income or existing health insurance. By using this card you **may save an average of 20%** off the regular retail price of prescription drugs at participating pharmacies.

To discover the savings and learn more about the program, visit www.caremark.com/nlc to access the program online and print a card, check drugs prices and locate participating pharmacies.

Residents may also pick up a card at the following locations:

Union City City Hall 5047 Union St.

Union City Chamber Of Commerce 6400 Shannon Pkwy.

Union City Walmart Supercenter 4375 Jonesboro Road

Union City CVS Pharmacy 3940 Jonesboro Road.

Or for more information, call toll free: 1-888-620-1749.

This is not insurance. Discounts are only available at participating pharmacies. By using this card, participants agree to pay the entire prescription cost less any applicable discount. Savings may vary by drug and pharmacy.
